### From the readings

#### REVERSING THE BABEL EFFECT

The Holy Spirit comes like wind and fire—sudden, sweeping all before, changing forever, and touching profoundly our wounds, our hearts, our shelves. The Spirit makes us God's family: "heirs of God, coheirs with the Christ, sharing in his sufferings so as to share in his glory." The Spirit unites us reversing the Babel effect, so that we may all speak of the marvels of God in our own language. We want to give witness to the Trinity's life in us for the salvation of all.
